

Healthcare Flexible Spending Account (FSA)

SAVE MONEY WHILE KEEPING YOU AND YOUR FAMILY HEALTHY

Why enroll in a Healthcare Flexible Spending Account?

- Save an average of **30%** on a wide variety of eligible healthcare expenses by paying for them on a **pre-tax basis**
- No waiting—access the full amount of your annual election on the first day of your plan year
- Save time—choose from several convenient, hassle-free payment and reimbursement options.

How Does the FSA Work?

You chose to enroll in the FSA through your employer, which is administered by HRCTS. Complete the election form indicating how much you would like to withhold from your payroll on a pre-tax basis. HRCTS sends you a VISA debit card preloaded with your full election amount to pay for qualified medical, dental, and vision expenses during the FSA Plan Year. You save money by putting the funds away pre-tax, and you have the entire election available to you on day one to help cover out-of-pocket healthcare expenses for you, your spouse, and eligible tax dependents.

Examples of Eligible Expenses

- **Medical** – deductibles, co-pays, co-insurance, diagnostic tests, lab work, chiropractic care
- **Dental** – orthodontia, x-rays, fillings, sealants, crowns, root canals, and dentures
- **Vision** - contacts, glasses, Lasik eye surgery, prescription sunglasses and contact lens solution.
- **Prescriptions** - all prescriptions are covered. This includes over-the-counter medications with a prescription.
- **Over-the-Counter** - first aid supplies, hearing aids, orthopedic inserts, thermometers, and sunscreen

** Treatments for cosmetic reasons are not covered.*

** Some services/purchases need to have a letter of medical necessity or prescription to be eligible.*

** You can access an updated list of eligible expenses at: <http://expenses.hrcts.com>*

** Please note this list of eligible expenses is subject to change according to the IRS Regulations.*

How Do I know How Much to Elect?

You may elect up to the employer's designated maximum, not to exceed the IRS maximum. However, we have provided you with an expense worksheet to help you calculate how much you should put away pre-tax per year. You then take the total amount you wish to elect for the year, and divide it by the number of payrolls your company has in a year, and this determines your payroll deduction.

This money comes out before you pay Federal Tax, FICA Tax, and State Tax.

When you add up your tax savings with your money in this account, you have effectively increased your take home pay.

How Do I Access My Funds?

There are two ways for you to access the funds in your Flexible Spending Account!

- **VISA Debit Card** – HRCTS will provide you with a smart debit card, which you can use to pay for eligible expenses such as prescriptions, co-pays, Band-Aids, and so much more. When you are at a provider or a merchant with an IIAS (Inventory Information Approval System), you simply swipe your card and it will deduct the eligible expenses from your account. Always keep a receipt of payment to verify the expense.
- **Submit a manual claim** – You can also submit a claim online, via fax, mail, or mobile app, as long as you attach an itemized receipt showing the eligible expense. Receipts are required in order to process claims, and must have service date/purchase date, description of service/item purchased, name of provider/merchant, and the expense amount.

Please refer to your plan documents regarding how funds are handled at the end of the plan year. You have 90 days after the plan year ends to submit for expenses which were incurred in the plan year.

How Does a Dependent Care Account Work?

A DCA is a pre-tax saving account which the IRS allows you to put funds into. You can then use these funds for qualified dependent care expenses, such as **preschool, summer day camp, before or after school programs, and child or adult daycare**. You may choose to enroll in the DCA through your employer, which is administered by HRCTS. Complete the election form indicating how much you would like to withhold from your payroll on a pre-tax basis. It is a smart, simple way to save money while taking care of your loved ones so you can continue to work.

Substantiating a Purchase:

If you have made a purchase using your FSA debit card, you may be required to substantiate your purchase. The purpose of this is to ensure the purchase was FSA-eligible and to keep you in compliance with all IRS regulations.

If you receive communication from HRCTS requesting a receipt for a purchase please ensure your receipt follows the necessary guidelines and has all the information required to process. HRCTS will request the receipt from you one time.

Example of Acceptable Substantiation:

Required Information	
1. Provider Name	ABC Eye Associates
2. Date of Service	01-25-2001
3. Description of Service	(999) 555-1111 CUSTOMER RECEIPT Customer Name: SARA SAMPLE Frames: 1 Set \$125.00 Lenses: anti-glare, scratch proof \$ 79.00 Subtotal: \$204.00 Tax: \$ 12.24 TOTAL: \$216.24
4. Claim Amount	

ABC Eye Associates * 123 Maple Street * Somewhere * CT * 99999

Please Note: HRCTS has a receipt form which can be used to collect the required information, if you cannot obtain an itemized receipt

When will HRCTS ask me for a receipt?

Depending on the location in which your FSA debit card was used, HRCTS may require a receipt. Generally this is done because the location where you made the purchase provides both eligible and non-eligible services under the IRS Guidelines.

The most common receipt requests will be for dental and vision expenses.

What will happen to my claim if my receipt does not have all the required information?

Upon receiving your claim, HRCTS will review to ensure all required information is on both the claim form and the receipt.

If information is missing, HRCTS will reach out to you requesting more Information, which allows you to collect the missing data and submit to HRCTS to finish processing your claim.

If we still do not receive all the required information, then we will deny the claim.

Is my Credit Card Slip showing I paid for services acceptable?

No, your credit card slip will not be acceptable as a receipt.

The reason for this is a credit card receipt only shows the date in which you PAID for the service, and the amount you paid. It does not show the **date of service or description of service**.

A payment for a service may be made before or after the date of service, and HRCTS must ensure all expenses are incurred within the plan year to be eligible for reimbursement.
