We have the network for every pair of eyes

Whatever life sends your way, our vision network
has solutions to help you see it to the fullest

"It's hard for me to get away
during the workday."

To fit your busy schedule, many
eye doctors in our network have
weekend and evening hours.

"No thanks, I see perfectly fine."

An eye exam is always a good idea; our
network doctors have access to digital
technology to help spot potential vision or
health problems you may not know about.

"I wear contacts, my wife
wants to get LASIK, and two
of our kids need glasses."

Our network has a wide variety of
independent and retail providers,
so everyone in your family can see
the doctor they want.

"I'm in an airplane at
30,000 feet and can't get
to the eyeglasses store."

You can shop for eyewear online
and use your in-network benefits
—just like you would at the store.*
*At participating, in-network retailers
