

NexGen EAP Mobile Platform

Easily access all components of your EAP benefit on your computer, tablet, or phone by logging into the NexGen EAP's website or mobile app.

- Review the EAP benefit components
- Start requests for resources, research, or other information
- Review pending and completed requests
- Access hundreds of e-learning courses to promote personal and professional development
- Get daily motivation via Quotiful
- Register for entertainment and shopping discounts

Access both the website and mobile app using the same user name and password. Register on either platform using the directions below.

- Log in to the NexGen EAP website at www.nexgeneap.com
- Download the BalanceBenefits app available at the iTunes App Store and Google Play Store
 - Click "Register"
 - Enter the Company ID provided on the Member Guide, available through your HR department
 - Follow the prompts to create your own user name and password
