

e-Learning Resources

Your EAP benefit offers online access to professional interactive training courses and self-help tools, along with other work/life resources to promote personal and professional development.

- Expand your knowledge base by accessing a wide variety of virtual and interactive e-Learning resources.

- Your web portal contains hundreds of tools for personal and professional development including e-Learning courses that are available in English and Spanish.

- e-Learning programs include topics like wellness, conflict resolution, public speaking, effective communication, maintaining a positive attitude, time management, and much more

Available to you and your eligible family members!
